

Chairman's Corner

Hello everyone and welcome to the latest edition of Code Blue. Most of you will have completed your season's and be gearing up for prize-giving and the upcoming Summer.

Grant Plumbing Petone have one game to go this weekend. The lads face Central League Champions Napier on the turf this Saturday. It's been a spluttering end to the season for the Blues with a week on, week off, week on etc. Here's hoping Graham and the boys can do the double over the boys from the Bay and finish on a high note.

Powerex Petone are of course through to a Women's Central League play-off. Our ladies will face Palmerston North Marist over two legs in September. The second leg will be at Memorial Park on the 12th September. This will be a massive day for the club and I hope to see a huge crowd turn up to support our Women.

A number of junior teams head off to tournaments over the coming weeks starting with the Western Suburbs Graded tournament on 5/6th September, followed by the Douglas Villa and Taupo tournaments. Good luck to all of the teams.

Congratulations to Tom Randles on being named head coach of the Capital Football Women's League side for 2015. I have no doubt Tom will do a fabulous job.

Of course prize-giving is coming up quickly for both juniors and seniors. Details and dates are below. This is a great opportunity to celebrate the season and acknowledge the effort of players, coaches and parents.

I hope you have enjoyed your season and wish you a nice relaxing break over summer. You can keep up to date with all things Petone FC via our Facebook page and our website www.petonefootball.org.nz

All the best and take care.
